Find Us on

Welcome from all at Hardigreen Park to those who have joined us here and online for our 3rd Annual Bull Sale. The Stud was registered in February 1974 with a small number of cattle. From that humble base it has, over some 46 years, steadily developed a quality herd of Santas, the progeny of which, year after year, have performed strongly at many major sales and shows. More importantly, from our point of view, we prize the reports back of the quality of progeny, sired by Hardigreen Park bulls, in the sale ring and at the critical commercial level.

Whilst the last few years have been tough for so many people we have worked hard to both maintain and strengthen our herd. This has paid off so that we are able to offer a line of good bulls, which I am proud to put up for sale. I am sure that among them you will be able to find a bull or bulls, which will fit into your herd and breeding program.

Best wishes with your purchases and activities in the year ahead.

Moreton Rolfe.
